

Elexio is software that we use at Crimson Way to help aid in communication among our church regulars and staff.

**Want to keep tabs on our calendar?**

**Want to be a part of our church directory?**

**Want to sign up for coming events on your phone?**

**Want to keep an eye on your financial giving?**

**Then sign up for your personal login information today!**

Simply email Jen Luhrsen at [jluhrsen@crimsonway.org](mailto:jluhrsen@crimsonway.org) and let her know that you would like a login.

(See right for login instructions)

Once you are set up with a login you will receive an email from Crimson Way Church with your login information. Simply click on the link in the email or go to [www.crimsonway.org](http://www.crimsonway.org) and click on the "Login" link at the bottom of the home page.

**Or download the "Elexio Community" app!**

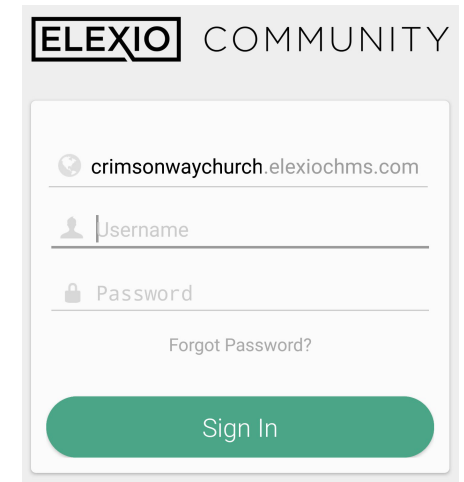

Once it's downloaded, open the app.

The icon looks like:

Tap on the word "domain" and type crimsonwaychurch (as pictured) then simply enter the same name and password you were given in the email.

**NOTE: You can always change your password to something more memorable under the Account tab.**

To sign up for an event, go to the calendar on either the desktop or app version and click on the event. If there is a form available it will show up under the event's description.

**If you have any other questions, please feel free contact Jen Luhrsen at [jluhrsen@crimsonway.org](mailto:jluhrsen@crimsonway.org).**
